Home Insulation Program	\$1,248	915,156	\$1,248	915,156	n/a	915,156
Solar Hot Water Rebate	\$146	92,137	\$146	92,137	n/a	92,137
<b>TOTAL</b>	<b>\$28.3 b</b>	<b>1,126,472</b>	<b>\$11.5 b</b>	<b>1,084,510</b>	<b>n/a</b>	<b>1,057,996</b>

Note 1: Figures have been rounded.

Note 2: BER data includes funding to Block Grant Authorities.

Note 3: Energy Efficient Homes approved funds is claims paid to date.

Note 4: Onsite data is not collected by all programs

Note 5: For the purposes of BER, commencement is defined as the undertaking of any action, post design phase that incurs an expense covered by BER funding for that project. This could include pre-design work, tendering activities and contracting. Onsite refers to actual construction activity undertaken onsite at a school.
